## FUNERALS:

*We extend our sympathy to the family and  
friends of:*

19<sup>th</sup> September            **Joan Thurgood** aged  
89. Joan lived through the disruption of  
wartime London. She met Raymond when  
they were both working on a market garden,  
came to Bengeo in the 1960s and moved  
later to Sele Farm. She was a great joiner  
and had a wide range of active interests and  
many friends. She moved finally to Calton  
Court, which she loved but her time there  
was sadly cut short. Mourned by children  
David, Michael and Carol and grand-daughter  
Lucy.

25<sup>th</sup> September            **Ted Brinkley** aged 79.  
Ted was born in Hitchin, graduated in  
Modern Languages and trained as a teacher.  
He taught for many years at Richard Hale  
School. He had a wealth of knowledge and a  
love of classical music. He was a bit of a  
perfectionist and was an organised and  
humane administrator. He suffered from  
Parkinson's disease which meant he had to  
move to residential care four years ago.  
Much missed by brother David and by  
Hertford neighbours.

## ST ANDREW'S COFFEE MORNINGS

The September Coffee Morning raised a  
fabulous £681 for the **Beane Marshes  
Conservation Group**, a local  
community group campaigning to  
protect the land along the banks of the  
River Beane as a natural resource and  
nature reserve. The event had a B  
theme to it, which included a Barmy  
Golf course – well  
one hole – put  
together with great  
imagination and  
skill by Peter  
Risby, as well as  
bangers in bagels  
and buns, bacon  
butties, bakes and  
fun and games  
such as bagatelle.

Thank you to all who organised and ran  
the event and those who attended and  
gave so generously.

October's Coffee Morning is part of **The  
World's Biggest Coffee Morning on  
Saturday 5th October 10.30am -  
12.30pm** run by Women of St  
Andrew's in aid of Macmillan Cancer  
Support. As well as the usual coffee,  
tea and delicious homemade cakes  
there will be a chocolate tombola, craft  
stalls and a showcase of local eco  
friendly businesses with the sale of  
unique eco friendly products.

## **Confidential Prayer**

**Sometimes it really helps to know  
that someone is praying for us.**

Between our two parishes we have a  
group of people who pray daily in  
confidence. If you would value prayer  
for you or someone you care for please  
contact Reverend Alan on
