

OPPORTUNITIES

It is sad to think of *anyone* being on their own at Christmas.

HOST UK arranges one day and weekend visits for International students all year round with three-night visits during the Festive season. Such hospitality is greatly sought after and valued by students far from home whose only alternative may be a lonely hall of residence.

Our "festive season" does not just mean Christmas but can also mean weekends in the run up to Christmas, and New Year. Your guest will be someone curious to experience British life with all its special traditions and culture...and keen to share those of their home country. Your hospitality will be a unique gift, a treasured memory and rewarding in so many ways.

Please consider opening your home and heart to an international student and remember that if the festive season is difficult for you, we do operate *all year round*, so hosting can become one of your New Year Resolutions!
