## Confidential Prayer

**Sometimes it really helps to know that someone is praying for us.**

Between our two parishes we have a group of people who pray daily in confidence. If you would value prayer for you or someone you care for please contact Reverend Alan on [h.alanstewart1@gmail.com](mailto:h.alanstewart1@gmail.com) or 01992 582726

## House Blessing

**'Peace be here in the Name of the King of life; the peace of Christ above all peace, the Lord's blessing over you.'** There are many reasons for blessing a home. Maybe it's a new home. Maybe you've sensed some disquiet. Maybe you would just value some prayers for peace and protection. Please contact Rev Alan on [h.alanstewart1@gmail.com](mailto:h.alanstewart1@gmail.com) or 01992 582726 if you would like to know more.

## AN INTRO TO REV SALLY

My name is Sally Dryden and I am really excited to be part of the Hertford Team Ministry at Holy Trinity, Hertford Heath. I became a Christian 16 years ago at St Barnabas, North Finchley and have been ordained for 4 years. I served my curacy at Golders Green Parish Church and was Associate Vicar there for a subsequent year. I have never lived outside the M25 before, a bit of a townie, and have been totally surprised that I may be a closet country girl; my wellies are getting lots of use. It's so great to be able to see the horizon on a daily basis and really appreciate God's creation. I was born and raised in Ponders End, Enfield and went to Bullsmoor School (now Lea Valley High) in Waltham Cross. My family all live along the A10, A1 corridor and it is great to be near them.

The Holy Trinity Church family have been so wonderfully welcoming and after only a few weeks in post I feel like I have never not known them. They coped amazingly through the interregnum and I am so proud to be joining in with what they have been doing. My prayer is that Holy Trinity Church will become a community hub, a safe place, a meeting place for the local community; a place where we can laugh and cry together, where we can celebrate and commiserate; where barriers are broken down and where love is real. William Temple said "The Church is the only institution that exists primarily for the benefit of those who are not its members" and I totally agree with him.
