

Internship for a Children and Families Worker St Andrew's Hertford

One-year fixed term contract starting September 2024.

Salary £20,000

We are delighted to announce an opportunity for an internship for a student or graduate to be part of our vibrant, friendly, creative, inclusive, eclectic, and outward-focused Anglican church in the town centre of Hertford. As an intern you will join the team who has a desire to see children and families flourish in their faith. You will engage in working with our children and families with the support of a mentor. This is an exciting opportunity to gain skills and experience of working with children and families while at the same time bringing your own creative and innovative ideas. We hope to appoint someone to focus on working with children up to the age of eleven.

At St Andrew's you will find a strong and supportive team of volunteers who have expertise and who help with a wide range of activities including Junior Church, Toddler Group, and an after-school drop-in.

Further training, networking and development opportunities are available and encouraged.

Please see our church website for further details www.hertfordstandrews.co.uk. For informal enquiries please contact Rev Alan: 01992 582726 or h.alanstewart1@gmail.com

'No one belongs here more than you.'

Hours

A maximum of 36 hours per week has been allocated for this role. These will normally include Sunday mornings in order to oversee our young people's activities during the weekly service. Other days and times can be discussed.

The post carries entitlement to holiday leave (28 days) and the timing of holidays will be taken after consultation with the vicar and his team.

Location

Most activities are currently held in church, our church Centre, or in local schools (including a forest school area). There is a desk space at church and some work and preparation for sessions can be completed at home.

Child Protection

To fulfil the role, candidates will be subject to an enhanced DBS check, and will be expected to complete all necessary safeguarding training.

Current regular weekly term time activities:

- To attend the Sunday 10.30 service when Junior Church meets and to take the lead in planning and overseeing activities for the different groups.
- To lead an after-school Story Club.
- To liaise with our dedicated teams of volunteers and partner organisations.
- To help plan and lead local school assemblies as requested. We currently work with three schools, including two church schools.
- To help lead story-time at our Toddler Group.

Recent successful activities with young people and families include:

- Annual school activity days themed around the church year (Easter, Harvest or Pentecost).
- Holiday Club.
- A Light Party at Halloween.
- Activities for families at our Railway Day, Beer Festival and Beer and Carols.
