

TMM

TMM has continued to meet every other Sunday for games snacks and to explore faith and the bigger questions of life.

We have had a number of special guests this year including Owen Thomas from Future Hope and Bryan Fries from Young Life, sharing their journey of faith and a range of new games.

Socials have included trips to the cinema to the excellent animated film Wild Robot and to Illuminate at St Albans Cathedral.

Thanks to Nick Sharman for several years of great service, and to other leaders Melanie, Jo and Toyin.
